

Shelley Baker recommends  
Candy Kennels.  
4 September

We have had a lovely experience with Candy Kennels. We picked up our little long haired chi pup "Phoebe" just 10 days ago. She is healthy, adorable, cheeky and cuddly. Can't recommend them enough. The photo and video updates leading up to Phoebe being ready and answering any questions we had very promptly were a testimony to how Leah cares. We were shown around the very clean, tidy kennels and we got to cuddle her beautiful dogs. We also have the added bonus of a new friendship with Leah and her family. It is very evident that Candy Kennels is more than a business, it is Leah's passion.
